# Adele - Rolling in the Deep

**Change the words so that they fit each gap, then listen and check:**

There's a fire starting in my heart  
 Reaching a fever pitch and it's bringing me  
 out the dark  
 Finally, I can see you crystal clear  
 Go ahead and sell me out and I'll lay your  
 ship bare  
 See how I'll leave with every piece of you  
 Don't \_\_\_\_\_ (**ESTIMATE**)  
 the things that I will do  
 There's a fire starting in my heart  
 Reaching a fever pitch and its bringing me  
 out the dark

The scars of your love remind me of us  
 They keep me thinking that we almost had  
 it all  
 The scars of your love, they leave me  
 \_\_\_\_\_ (**BREATH**)  
 I can't help feeling

**CHORUS:**

We could have had it all  
 (You're gonna wish you never had met me)  
 Rolling in the deep  
 (Tears are gonna fall, rolling in the deep)  
 You had my heart inside of your hand  
 (You're gonna wish you never had met me)  
 And you played it to the beat  
 (Tears are gonna fall, rolling in the deep)

Baby, I have no story to be told  
 But I've heard one of you and I'm gonna  
 make your head burn  
 Think of me in the \_\_\_\_\_  
 (**DEEP**) of your despair

Making a home down  
 there, as mine sure won't be shared  
 The scars of your love remind me of us  
 They keep me thinking that we almost had  
 it all  
 The scars of your love, they leave me  
 \_\_\_\_\_ (**BREATH**)  
 I can't help feeling

**CHORUS X2**

Throw your soul through every open door  
 Count your \_\_\_\_\_ (**BLESS**)  
 to find what you look for  
 Turn my sorrow into treasured gold  
 You pay me back in kind and reap just what  
 you sow

(You're gonna wish you never had met me)  
 We could have had it all X2  
 It all, it all, it all

**CHORUS**

Could have had it all  
 Rolling in the deep  
 You had my heart inside of your hand  
 But you played it  
 You played it  
 You played it  
 You played it to the beat
